Dear Amy,

I know that responding to you (or any reporter) is not a good idea. And so far I have responded to no one asking. I'm sorry to say that I have no trust in the news. There is a lot of selective reporting which paints a picture not always true, even if some facts may be true in and of themselves.

I too believe that every person has a right to have their voice heard. But unfortunately those days are long gone. If things don't add up to expectations or public opinion then that voice is wrong. I don't mean to come off as crazy or paranoid. But I just don't trust you...

Honestly Amy I don't know why I'm writing to you. If I'm right then this letter is not a personal one but a business one, do to it going to KRON 4 NEWS. Anyways at first I wasn't even going to bother but a few things changed my mind. Though look I'm not going to talk about the case.

Ok well your probably going to think I'm dumb but I've always like saying "Dear Amy" LOL. Because of the San Jose news paper. And here I get to write it! I couldn't just pass it up. Als I now mite as well ask you a question. Eeee

Dear Amy,

[REDACTED]
[REDACTED] 27
[REDACTED] ? Come on dude.

And whats up with all the stamps, [REDACTED],
[REDACTED]? So even though you
used a big [REDACTED] envelope for one paper it would
have still made it here with one stamp. You
must have it good.

Sucks for you that the news paper wasn't
"Dear Antolin" [REDACTED]. Anyways
thank you for taking the time to write me. Everyone
else has typed their letters. And even though your
hand writting made me laugh it's more then
other people have done.

Um as to your questions, some if answered may
not sit well with others. ~~Or I answer them~~ I don't
wish to start [REDACTED] with anyone. Im just going to do
my time. But yes Amy I hold fast to my innocence
'Well I hope and wish you the best. Sorry if you
didn't get what you wanted but you are a reporter
and ~~that~~ it ends there. If you want to get back
at me that's fine though if it's as a reporter don'
bother. You'll be wasting your time. O and money for
all the stamps you use. ^{!!}

Antolin

P.S. Um just so you know. They
got E-mail here and in other
prisons too. [REDACTED]
